SECTION 3 - WARRANTY TERMS AND CONDITIONS

- 3.1 Registration of the warranty is mandatory to give it effect, otherwise it is void. The warranty is only valid upon reception of the duly completed warranty registration form. The warranty must be registered within one hundred eighty (180) days of completion of installation. Warranty registration confirms the date of purchase and helps MAIBEC process claims.
- 3.2 This warranty may be transferred (once) from the original OWNER. To transfer the warranty, submit written notice within ninety (90) days of when the building changed hands. The notice must include the building address, the name, and mailing address (if different) of the new OWNER(s), and the date of the transfer.
- 3.3 Proof of purchase of the PRODUCT must be retained, as it is required when submitting any claim under this warranty.
- 3.4 The warranty does not cover damage resulting from abnormal atmospheric conditions exceeding C-1, C-2, C-3 classes as defined in ISO 12944-2, including corrosive, saline or particularly polluted atmospheres, such as, but not limited to, atmospheres contaminated by chemical fumes or sea spray.
- 3.5 The warranty does not cover damage to the coated metal caused by handling, shipping, transportation, workmanship, or installation.
- 3.6 The warranty does not cover damage to the coated metal caused by scratching or abrasion after installation.
- 3.7 The warranty does not cover damage to the coated metal caused by standing water in horizontal installations.
- 3.8 The warranty does not cover damage to the coated metal resulting from improper storage. To prevent damage to the PRODUCT and its FINISH, it must be stored flat and kept dry. A humid environment is contraindicated.
- 3.9 The warranty does not cover damage to the coated metal caused by improper maintenance. It is required that dust, dirt and other deposits on the coated part be cleaned annually using a soft sponge or cloth, water and mild detergent or soap with a pH between 5 and 9. Do not pressure-wash or use harsh detergents or chemicals. Include the following in your maintenance log: date, time, name of the person in charge of maintenance and his/her designation, specific products used, name of the maintenance company and general condition of the FINISH. MAIBEC can request a copy of said maintenance log for the processing of claims under the warranty.

- 3.14 The warranty does not cover damage caused by a third party not affiliated with MAIBEC.
- 3.15 The warranty does not cover damage resulting from abnormal use of the PRODUCT or negligent conduct toward it.
- 3.16 Claims must be submitted to MAIBEC in writing within a reasonable timeframe (no more than 90 days) after the problem has been identified and be accompanied by proof of purchase of the PRODUCT. Upon receipt of such notice, MAIBEC must be given a reasonable period to inspect and verify the claim. Authorization from MAIBEC must be obtained before starting any repair or refinishing work.
- 3.17 MAIBEC assumes only limited responsibility for transportation and labor costs required to disassemble defective parts, return them to its facilities and have them reinstalled. The same applies for material costs related to the factory production of defective parts that cannot be recovered for re-covering. For all these specific works, MAIBEC’s liability is limited to an amount equal to a maximum of two hundred percent (200%) of the contract value.
- 3.18 MAIBEC shall not be liable for any claim, contractual or otherwise, for any damage, direct or indirect, resulting from a defect of the PRODUCT, including, without limiting the generality of the foregoing, loss of profit, revenue, market, goodwill, business or production, loss of time, enjoyment of life or any other type of claim by the customer or any third party.
- 3.19 The warranty on any repaired or replaced coated metal is valid for the remainder of the original product warranty period. - 3.22 This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. The provisions in this warranty do not preclude the operation of any applicable state law which in certain circumstances may not allow some of the limitations and exclusions described in this warranty.
